APRIL 2014: **STANDING IN THE RAINBOW** by Fannie Flagg

From the talented storyteller whose *Fried Green Tomatoes at the Whistle Stop Cafe* became a beloved bestseller and a successful film comes a sprawling, feel-good novel with an old-fashioned beginning, middle and end. The predominant setting is tiny Elmwood Springs, Mo., and the protagonist is 10-year-old Bobby Smith, an earnest Cub Scout also capable of sneaking earthworms into his big sister's bed.

This humorous fiction will be discussed on Thursday, April 24 at noon.

MAY 2014: **COCKTAIL HOUR UNDER THE TREE OF FORGETFULNESS** by Alexandra Fuller

Fuller was just a toddler when her family moved to a farm in Rhodesia where she experienced many an adventure--some good--some bad. This is her recollection of those days, of that country, and of her family: especially her mother, Nicola. Drawn from hours of taped interviews with Nicola, it is a story of survival and madness, love and war, loyalty and forgiveness.
